*A great song from one of my favorite movies "Paint Your Wagon"  
Lee Marvin did a great job with this song, and it fits the explorer type so well.*

I was Born, Under a Wandrin' Star  
I was born under a wandrin' star  
I was born under a wandrin' star  
Wheels are made for rolling, mules are made to pack  
I've never seen a sight that didn't look better looking back  
I was born under a wandrin' star

Mud can make you prisoner and the plains can bake you dry  
Snow can burn your eyes, but only people make you cry  
Home is made for coming from, for dreams of going to  
Which with any luck never will come true

I was born under a wandrin' star  
I was born under a wandrin' star  
Do I know where hell is, hell is in hello  
Heaven is goodbye forever, its time for me to go  
I was born under a wandrin' star

Repeat Chorus

I was born under a wandrin' star  
I was born under a wandrin' star  
When I get to heaven, tie me to a tree  
For I'll begin to roam and soon you'll know where I will be  
I was born under a wandrin' star  
A wandrin' wandrin' star
