*A catchy Gene Autry song to lead off this C D with. Tony's guitar work makes our version of this old song. I did find an additional verse after we recorded the song.*

Be honest with me dear, what ever you do. Remember you're mine dear, so always be true  
Wherever you wonder, on land or on sea, If you really love me, be honest with me.

My poor heart would break dear, if you were untrue Asleep or awake dear, I'll dream about you.  
For you are my darlin', you're all that I see If you really love me, be honest with me.

*Repeat first verse, then repeat last line*
