

Wagon Wheels P.DeRose/W. Hill

An old song that I changed slightly in the chorus, removing words about taking cotton to the Mississippi river boat, and changing to reflect wagons on the Oregon trail using a ferry to cross a river such as the Big Blue at Marysville, KS.

Wagon Wheels, Wagon wheels, keep on a rollin wagon wheels
Roll along, sing your song, carry me over the hill.

Well roll on mule there's a ferry at the landin waitin for this wagon to load
Roll on mule the boss is understandin – Oregon's at the end of the road

Wagon Wheels, wagon wheels, keep on a rollin wagon wheels
Roll along sing your song wagon wheels carry me home.
